

# Annual CMTA Marine Trades Exposition

@ WoodWinds, 29 Schoolground Road, Branford, CT

## September 30, 2009      12:00pm – 8:00pm

**TO ALL Owners & Operators of Marinas, Yachts Clubs, Boatyards, Boat Repair & Maintenance Facilities and all other Facilities engaged in Vessel Bottom Pressuring Washing Activities**

**AND ALL companies offering products &/or services to the above!**

**Are you an Owner and/or Operator of Marina, Yacht Club, Dockominium, Boatyard, Boat Repair and Maintenance Facility or other Facility Engaged in Vessel Bottom Pressure Washing Activities?**

**Do you power wash vessels or allow boat owners to power wash vessels at your facility?**

**Do you perform any boat maintenance or fueling at your facility?**

**Does stormwater from your facility discharge to a surface water body through a pipe or swale or similiar conveyance, including a basin connected to a municipal stormwater sewer system?**

**If so, YOU NEED TO ATTEND our Annual CMTA Marine Trades Expo...**

Offering two components - **Informative Segments & Trade Show**

The Trade Show will be open from 12pm - 8pm to accommodate those that can only make it during the day, so please take advantage of this opportunity and find time in your busy schedule to visit us!

### Informative Segments

The above will cover: <ol style="list-style-type: none"> <li>a). <b>Definitions</b></li> <li>b). <b>DEP's authority</b> delegated from Section 402 of the Clean Water Act</li> <li>c). <b>Types of Permits</b> (general / individual)</li> <li>d). How <b>Storm Water</b> is regulated - overview of the Storm Water General Permit</li> <li>e). <b>Management of the Pressure Washing Waste Water</b></li> <li>f). Discuss <b>State &amp; Local permits</b> that may be required by the <b>October 30th deadline</b>; applying for the MISC General Permit (<b>March 30, '10 deadline</b>) and off-site disposal options with an overview of DEP's list of licensed haulers, a list of permitted industrial waste water treatment facilities that can handle untreated/ water, list of waste water treatment facilities that can accept pretreated water by truck</li> </ol>	

### Trade Show (12pm - 8pm)

<b>10:00 AM</b>	Exhibitor Set Up
<b>12:00 PM</b>	Trade Show is open until <b>8:00 PM</b> Lunch Buffet is available
<b>6:00 PM</b>	Light Dinner Buffet is available

**Come** do your homework on what is available and what needs to be done at your facility.

**NOW** is the time that you should have specific solutions in mind to handle the ***Pressure Washing, Antifreeze & Stormwater issues...***

This year's show will, again, feature exhibits of products, services and companies offering solutions to the demanding and ever changing regulations and requirements of running a profitable and efficient facility.

This is a great opportunity to ***network with your industry peers*** to discuss matters that affect your business and how each has learned to handle them.

- If you **HAVE** a product or service that you would like to exhibit, the fee for a booth is \$150 (add'l buffet tix \$45).
- If you wish to **ATTEND & SEE** what is available, the cost is \$45/per person for members (\$65/per person for Non-Members) for the day, which includes either lunch or evening hors d'oeuvres.
